Whole-child confidence.

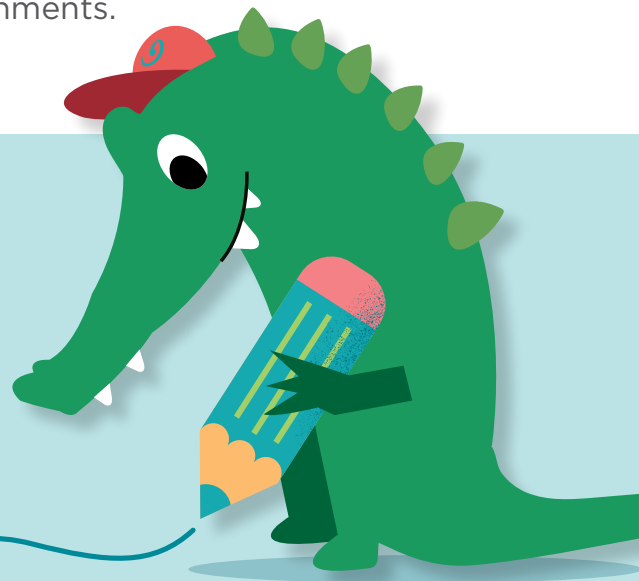

Delivered in our welcoming learning centre, the **Get Ready for Prep** program is designed for pre-Prep children who will be attending school the following year.

Our curriculum includes:

- **Best-practice literacy and numeracy teaching** to provide a strong foundation for reading, writing and maths.
- **Science, songs, games, art and craft** activities that bring academic learning concepts to life and support multisensory learning.
- **Language, speech and fine-motor skill support** and advice regarding early intervention (if required).
- **Confidence and independence building activities** to help children settle into school routines with ease.
- **Social and emotional development opportunities** to help children connect, share and thrive in a formal classroom.
- **Personal safety education** for staying safe in different environments.

Why parents choose LL4K

- **Trusted reputation** - with over ten years of supporting local families, we always put children, their wellbeing and their learning first.
- **Primary school teacher-led** - owner-operated and led by a primary school teacher and tutor, we know what children need to succeed in Prep and beyond.
- **Warm, small group learning** - provides personalised attention and tailored support.
- **Evidence-based program design** - long, immersive sessions allow for deeper learning and plenty of fun!
- **Whole-child focus** - developing academic abilities, social confidence and resilience.
- **Parent partnership** - regular feedback and practical home learning ideas.

“Parents love that we work closely with them to understand their child’s unique needs and celebrate their growth.”

Your child's journey starts here.

Whether your child is shy or already eager to learn, our warm, structured and nurturing environment helps every child find their confidence and shine.

We help children:

- Build strong literacy, numeracy and problem-solving foundations
- Develop focus, confidence and independence
- Transition smoothly into the routines of school
- Prepare for school socially and emotionally
- Discover the joy of learning!
