Literacy | Numeracy | School Readiness

Fun, weekly classes that build strong foundations for  
school... and a love of learning!

# A confident and positive start to school.

At **Learningland 4 Kids**, we love seeing children thrive in Prep and beyond. Our ***Get Ready for Prep*** program helps children develop confidence, strong academic foundations and a love of learning to support a positive and settled start to school.

**Ideal For:** Preschool children 4 - 5 years

**Attendance:** One class per week

**Class Length:** 3 hours

**2026 Enrolments Open**

## Our Program

Designed to complement play-based kinder and early learning programs, we help children to:

- Build the early literacy and numeracy skills that underpin reading, writing and maths
- Gently prepare for school emotionally and socially
- Develop focus, confidence and independence
- Transition smoothly into classroom routines
- Discover the joy of learning!

# Warm, structured learning.

Delivered in our welcoming learning centre, the **Get Ready for Prep** program provides nurturing, teacher-led classes that progressively prepare children for the transition from kinder to school. Our curriculum includes:

- **Best-practice early literacy and numeracy teaching** to support a strong start in reading, writing and maths.
- **Science, songs, games, art and craft** activities that bring learning concepts to life and support multisensory learning.
- **Language, communication and fine motor skill development** to progressively build skills in a supportive, low-pressure environment.
- **Engaging lessons that build confidence and independence** and prepare children for classroom routines and structured learning.
- **Guided social and emotional development opportunities** to help children connect, share and thrive.
- **Personal safety education** for staying safe in different environments.

## Why parents choose

LL4K

- **Trusted reputation** - with over ten years of supporting local families, we always put children, their wellbeing and their learning first.
- **Primary school teacher-led** - owner-operated by a primary school teacher and tutor, we know what children need to succeed in Prep and beyond.
- **Supportive, small group learning** - provides personalised attention and support.
- **Evidence-based program design** - grounded in best practice and aligned with the Victorian Curriculum expectations.
- **Whole-child focus** - developing academic abilities, social confidence and resilience.
- **Parent partnership** - regular feedback and practical home learning ideas.

“Parents love that we work closely with them to understand their child’s unique needs and celebrate their growth.”
